

# HANZALAH MUKHTAR

## Senior Design Director

I,m Hanzalah, a creative graphic designer from Lahore, Pakistan with the passion for design and technology. As a reasonable person I always work to the best of my ability to be creative and improve my skills to create the most successful design possible. I desire to become a master combining design and graphics to create impressive work.

I try my best with my skills and my ability to succeed and be an excellent designer.

## EXPERIENCE

### PRINT MEDIA DESIGNER

IBEXX Studio - Faisalabad

2018 - 2019

Learnt the basic knowledge of Adobe suit and developed my skills as a graphic designer as well as video editor.

Graphic design of publications and brochures for IBEXX such as posters, flyers, print media design, visiting cards and contracts schedules...

### POST PRODUCTION DESIGNER

VIDEO HILL CREATORS - Faisalabad

2019 - 2020

Upgrade the skill of video editing using Wondershare's Filmora and Adobe Premiere Pro.

Create and amazing content for social media by editing RAW video and grading them in latest software.

### DESIGN FREELANCING

FIVERR AND FREELANCER.COM

2020 - 2021

I put my hands on practical freelancing on famous marketplace like Fiverr and Freelancer.com as a graphic designer, providing services of branding, game UI design and print media design etc.

### GAME UI DESIGNER

TENMAX INC. - LAHORE

2021 - NOW

Learnt the game designing using Adobe's softwares and put hands on live projects of game design.

Design the trending genre of games like cars games, bike and hyper casual games.
